Connecticut Belair Swim & Tennis Club Newsletter

Letter from the President

Dear Members,

Bring on the warm weather! After an unbelievably hard winter, I am ready to sit by the side of pool at Connecticut Belair and relax in a cool breeze – and I am sure that you are too.

Now that the weather has finally turned, we are busy getting the Best Pool in Montgomery County ready for Summer 2014. Our new management company, RSV Pools, is busy reassembling plumbing, draining the pool, cleaning, and getting ready to fill it with clear, blue water. As soon as I can, I will share some pictures so that you can get in the mood for a CB summer.

We're planning a full summer of fun and relaxation at CB. Stay tuned to our website – www.cbpool.net – for details on potlucks, night swims, tennis events, basketball clinics, cornhole tournaments, and more. Check out the chalkboards in the front lobby too. And, if you have an idea for something fun to do at CB? Just let us know. We're always looking for new things to do at CB.

Please remember to stop by an Open House in May (May 10, 17, and 18) to renew your membership and see how summer preparations are coming along. And, if you're unsure whether you've finished paying your new member fee or 2011 assessment, check in with any member of the Front Desk staff or Board Member – we'll have the details ready for you. It's very important for the fiscal health of the community that all CB members fulfill these obligations as soon as possible.

And join us for the earliest Opening Day ever – Friday, May 23 at 3:30 pm. Come by for the afternoon and stay to meet S'more friends at our bonfire/S'more fest around dusk. It's going to be a great day!

See you soon!

Participants may sign up for one week sessions; however, the entire 5 week summer format is recommended for enhanced learning and value.

The summer adult program is a great way to burn calories, get in shape, and stay healthy. While hitting hundreds of tennis balls to music, these fast paced drills give players of all abilities a fun, high energy workout.

CB Welcomes RSV Pools, Inc

RSV Comes Highly Recommended

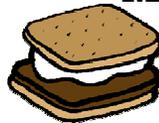

We are excited to bring on RSV Pools, Inc as our management company this year!

RSV Pools, Inc. is a growing operation that works hard to maintain a standard of professional excellence. Their staff is professionally trained and properly certified to ensure the safety of our patrons.

After interviewing several companies, we were impressed with RSV's commitment to the safety and cleanliness of our facility and their references backed up their claims. Several board members witnessed their abilities first hand last year while attending swim meets at pools they managed. It was that experience that led us to bring them in to look at managing CB.

We are expecting a great summer and a great start to a long and successful relationship between CB and RSV.
