2016 Board of Directors Candidates

Charles Gormly

I am excited to seek another term as a member of the Board at Connecticut Belair Pool. My family and I love CB. My kids are active on the swim team and my wife Murray is active on the Swim Team Committee. I have been honored to serve as Vice-President of the board last year – handling insurance matters as well as organizing our pie-eating contests and being the snack bar liaison. If you have any questions or suggestions for our great pool, I can usually be found in the shady corner by the basketball court.

Mark Hudson

Mark was president of CB from 2001 to 2005. After that he was on the board for another 10 years, some of which he served as Vice President. Mark has been involved with every major improvement in the pool for the last 15 years and looks forward to working to further improve the pool we all love.

John Morin

My wife Jean and I with our four kids have been members of the Connecticut Belair family for the last 9 years. We have created special memories over this timeframe because of the many amenities/activities the pool offers. Our kids are on the swim team, have done tennis camp, and want to spend as much time as they can at the pool. I would like to join the Board to assist in ensuring that it continues to be the great community that my family has come to love over the years.

Jeff Polich

My wife, Kelly, and I have been members of Connecticut Belair since 2006. We have two daughters, aged 10 and 7, and are parishioners at Holy Redeemer. I have truly enjoyed serving on the Board for the past six years and as Treasurer for the past five. As well, this past summer I had both daughters on the swim team and I had a great time watching, cheering, and volunteering for the

Gators. In between trips to the pool, I am an attorney with the U.S. Department of Health & Human Services, and I coach my girls in soccer. I would greatly appreciate the opportunity to continue contributing whatever I can to keeping CB a fun and enjoyable place to spend the summer.

Katie Stout

I am a lifelong swimmer and local girl. Born and raised in Olney, I grew up an Olney Mill Otter and RMSC regular. I was always envious of the Connecticut Belair Swim Club, the slide of course. When my husband and I settled in Kensington it only made sense to join the club. By day I am a physical therapist, currently serving as the Director of Clinical Affairs with the Defense and Veterans Brain Injury Center. By evening and weekends, we are a pool family. We have a soon to be 4 year old and have enjoyed the offerings of the pool to include the excellent wading pool. I look forward to representing the interest of the kiddie pool in the coming year as a board member.

John Tseronis

Our family joined CB in August 1975 – discovering the best kept secret in Montgomery County. Our sons Matthew, Peter, Daniel, and Jesse joined the swim team and Jane and I participated as meet officials, carpoolers cheerleaders, and social event coordinators. CB's success and longevity are the result of active service participation by club members. This participation is vital to maintain the quality of service CB provides to our community – our CB family.
